TRAVERSING GROUNDS OF REJECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, Kenneth Y. Ogami, do hereby declare and say:

1. My home address is 14232 93rd Ave., NE, Bothell, WA 98011.
2. I am currently an employee of Cypress MicroSystems.

CYPR-CD01177M
Art Unit: 2192

Serial No. 09/998,848
Examiner: Vo, T.

3. On November 13, 2001, I signed a declaration stating that I believe that I am an original and sole inventor of the subject matter that is claimed in the U.S. Patent Application with Serial No. 09/998,848, entitled "Design System Providing Automatic Source Code Generation for Personalization and Parameterization of User Modules" (hereinafter, the present Patent Application). The present Patent Application was filed in the United States Patent and Trademark Office on November 15, 2001. The declaration stating that I believe I am an original and sole inventor of the subject matter claimed in the present Patent Application was filed in the United States Patent and Trademark Office, along with the present Patent Application.

4. I have studied the entire specification, drawings, and claims of the present Patent Application. I understand the language of the claims and the scope thereof. I understand the invention as claimed.

5. As an employee of Cypress Microsystems, a subsidiary of Cypress Semiconductor, subject matter that I originate may be incorporated into Cypress documents, some of which may become public.

6. I have reviewed the document "PSoC Designer: Integrated Development Environment; Getting Started 25-Minute Tutorial; Revision 1.0" (hereinafter, the IDE Tutorial). It is my belief that, to the extent that subject matter exists in the IDE Tutorial that may anticipate the claims of the present Patent Application, such information was derived from my work.

7. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Date: Aug 15, 2005
